

Booking Information

We are delighted to be hosting the 25th Annual Shoemakers Conference on Friday 24th, Saturday 25th and Sunday 26th February 2023 returning to the Kings Court Hotel in Warwickshire.

The Independent Shoemakers Conference encourages the small independent businesses and shoemakers across the world to get together and exchange views, ideas, skills, suppliers and anything else to do with footwear. It is vast becoming a go to resource for all.

We have aimed to keep the prices as competitive as possible and have worked closely with Kings Court to secure good rates not just for the function itself but for the room rates too.
